<b><u>Criteria*</u></b>	<b><u>Progress</u></b>
<b>Academics</b>	<p>Case21 BOY assessment is complete. Data reports will be ready by the end of the week if not sooner.</p> <p>Our CIA Team is continuing to work to align pacing guides to our Case21 assessments. Our challenges remain staying on pace while filling in large skill learning gaps. We are addressing this by working with grade level teams to support weekly planning, strengthening our daily intervention and supporting teachers with continuous coaching.</p>
<b>Athletics/Clubs</b>	Volleyball Season Ends.
<b>Staffing</b>	kindergarten and 5th grade math/science teacher positions are open
<b>Budget</b>	<b>Justin/Jennifer</b>
<b>Enrollment:</b>	See table for current enrollment. We have had several families move and are actively inviting families from our waiting list.
<b>Upcoming Events:</b>	Trunk or Treat/Fall Festival October 30th.

<b>Accreditation:</b>	<p>We have begun the accreditation process through Cognia. We are in the process of self-assessment and will soon schedule a site visit with our representative.</p> <p>We are also working on addressing the STEM Recognition through NCDPI by developing our STEM Advisory Council.</p>
<b>Parent Partnership</b>	<p>Parent Partnership is planning a Trunk or Treat Event along with a teacher appreciation breakfast and some fundraising events.</p>
<b>Community Partnership:</b>	<p>Continued partnership with ZEN inc. to teach students about growing food and sustainability. April Booker led a team of parent volunteers to complete construction of the greenhouse.</p> <hr/> <p>First STEM Advisory Council meeting was scheduled for October 7th at 7pm. Discussion revolved around how to support teachers with Problem Based Learning. Focus on using the projects already in place and adding elements of PBL.</p>
