5 th	108	109
6 th	109	109
7 th	99	102
8 th	83	81
Total	951	951

Target:950

<u>Criteria*</u>	<u>Progress</u>
------------------	-----------------

Academics	<p>Baseline: Both iReady Data and Case 21 Data from the first benchmark show that our students are performing slightly higher this year than at the same time last year in both the grade level view as well as the cohort view. .</p> <p><u>Longitudinal Data</u></p> <p>Students who are performing below grade level continue to receive intervention during our scheduled blocks of intervention.</p> <p>We began our after school tutoring program earlier this year and are currently meeting with students in 2nd through 8th grades. Our Middle of the year benchmark data will be ready to review in early January at which time we will make adjustments to the after school tutoring groups.</p>
Staffing	<p>Openings: We are working to fill a 7th grade Social Studies Position that is coming open.</p> <p>PD: Upcoming:</p> <p>Recognitions:</p>

Facility	Exterior: Maintenance Needs: None at this time. Improvements:
Compliance:	Testing: Compliant EC: ESOL: All in compliance
Budget	BVA: Attached separately Fundraising: Grants:
Operations:	Safety: Parent Communications and Events: Our Parent Partnership Committee raised funds through dress down days to put together an amazing Thanksgiving Feast for our teachers. Some upcoming events include a Middle School Talent Show in January. Community Engagement: We have invited members of the community to help judge our 8th annual STEM Fair. STEM Fair will be on Dec. 14th at 6pm. We are looking for another outstanding show of creativity and genius! Bus Transportation: All buses are running regularly.
Extracurricular:	Athletics: Our Basketball Season Kicked off in a big way! Our JV and Varsity Boys teams won their first games. We are looking for a 3peat as conference champs! On Friday Night we hosted the Annual Classic Basketball Event where 6 teams came together to play in an amazing show of great basketball and fun! Clubs: NEW!!! EMPOWERHER STEM Club Math Counts Math Club for Middle School Students Dance Cheer DJ Academy TaeKwonDo Chess Club Service Learning:
Technology:	Looking ahead, we will need to make additional chromebook purchases for the upcoming school year. We have ordered some iPads to support our robots team, the Cyberhedghogs, who will compete in January.
Accreditation Process:	Continuing to analyze data. We will be sharing our finding in the next board meeting as well as with our SIP Advisory Board.
