Kindergarten	4	81
1st	5	98
2nd	5	106
3rd	5	105
4th	6	127
5th	4	96
6th	4	89
7th	4	101
8th	4	87
School Total		**890**

No change from last month

Criteria*	Progress
Academics	2nd semester began this month. We are beginning to meet with new intervention groups based on our newest data and readjust instruction. We have had some instructional disruption due to Covid. Absences of teachers and students and a few days of virtual learning made things bumpy but it's the beginning of the semester so we should be able to recover quickly and get back on track. **NC STEM School Recognition:** MCSA has submitted our intent to apply for STEM School of Distinction Recognition through NCDPI. We will submit our formal application on February 4th and then will have a scheduled visit in the spring from NCDPI.
Staffing	We hired a new EC teacher who will begin on Feb. 10.
Budget	**Jennifer**
Enrollment:	See table for current enrollment Lottery Applications as of 1/24: 362 (doubled since last month) School Tours are scheduled for mid February.
Upcoming Events:	Middle School Dance (Homecoming) Full Basketball Schedule (games almost daily) Students have officially begun preparing for the STEM fair. We kicked off STEM Fair season with a parent info night and our STEM/STEAM teachers are holding lunch time sessions to support students. **March 31st STEM Fair.**
