Total	950	953

Target:950

<u>Criteria*</u>	<u>Progress</u>
------------------	-----------------

Academics	<p>Baseline: All students have completed iReady math and reading BOY benchmarks. 3rd grade has completed their BOY state reading assessment. Case21 assessments will begin mid-October All data will be presented at the October board meeting.</p>
Staffing	<p>Openings: All positions are filled PD: Recognitions: Shoutout to Ms. Ranieri, our elementary art teacher, who gave our gym some school spirit.</p> 

<p>Facility</p>	<p>Exterior: Exterior Murals on the front doors at each building.</p>  <p>Maintenance Needs: None at this time. Improvements:</p>
<p>Compliance:</p>	<p>Testing: EC: ESOL: Other:</p> <p>All in compliance</p>
<p>Budget</p>	<p>BVA: Attached separately Fundraising: Grants:</p>
<p>Operations:</p>	<p>Safety: Front office staff appreciate the addition of the front food murals which provides tint from outside view. We have scheduled our fire, lock down, severe weather drills. Parent Communications and Events: Masquerade Gala will be held on October 7, 2023 Link to purchase ticket HERE Community Engagement: Bus Transportation: Challenges with buses due to driver shortages are impacting some attendance, working on a resolution. Food Service: September Highlights:</p> <ul style="list-style-type: none"> ● Shameka's team averages 400 breakfasts daily in September, with a high of 426. This is approximately 150 more breakfasts daily over last year ● Shameka's team averages 627 lunches daily in September, with a high of 677. This is approximately 300 more lunches daily over last year ● All team members have completed their required NCDPI CE training for the 23-24 school year except for our new hire, Melissa ● The cafeteria received its new milk cooler today; this will help some without current refrigeration space constraints. ● The cafeteria team will use an a-frame sign to display daily menus and have a corkboard mount on the wall to show info to students and staff. <p>On October 1st, we will offer staff lunches to any staff member who wants a fresh salad or sandwich. This is in addition to the menu for the day.</p>

Extracurricular:	<p>Athletics: Volleyball had a successful pep rally to kick off the season. This year 89 Titans tried out! The highest in school history. The Titans look to bounce back on Thursday after a tough opening game loss. Soccer also kicked off this month. We have a lot of raw talent on the 23 man roster. Lots of development will be happening this season. In their first match they fought hard but inexperience caught up at the end and they dropped a tough game.</p> <p>Clubs: Dance Cheer DJ Academy TaeKwonDo Chess Club</p> <p>Service Learning:</p>
Technology:	
Accreditation Process:	We have added STEM Accreditation to our process. Our team is working to analyze data to report to the Cognia team. Submissions are due in February to be reviewed by Gognia.

Celebrations:

We were able to move our school grade to a C! We are continuing to carry over the work we did last year with the addition of our coaching model with the goal of increasing our school growth and performance to a B.
